## ABOUT BVPIEEE

BVPIEEE is the IEEE Student Branch of BVCOE. With the aim of creating a rich pool of technical experts and harnessing the boundless youth potential, we offer a wide spectrum of opportunities and resources to our members.

## STUDENT CHAPTERS

The Student Chapters aim to increase the involvement of members in technical and academic endeavors. Each chapter conducts workshops and events throughout the year.

## BRIEF OVERVIEW

### WOMEN IN ENGINEERING (WIE)

01

IEEE WIE chapter is one of the largest international professional organisations dedicated to promote women engineers and scientists. It aims to inspire girls around the world to follow their academic interests in a career in engineering.

### INDUSTRY APPLICATIONS SOCIETY (IAS)

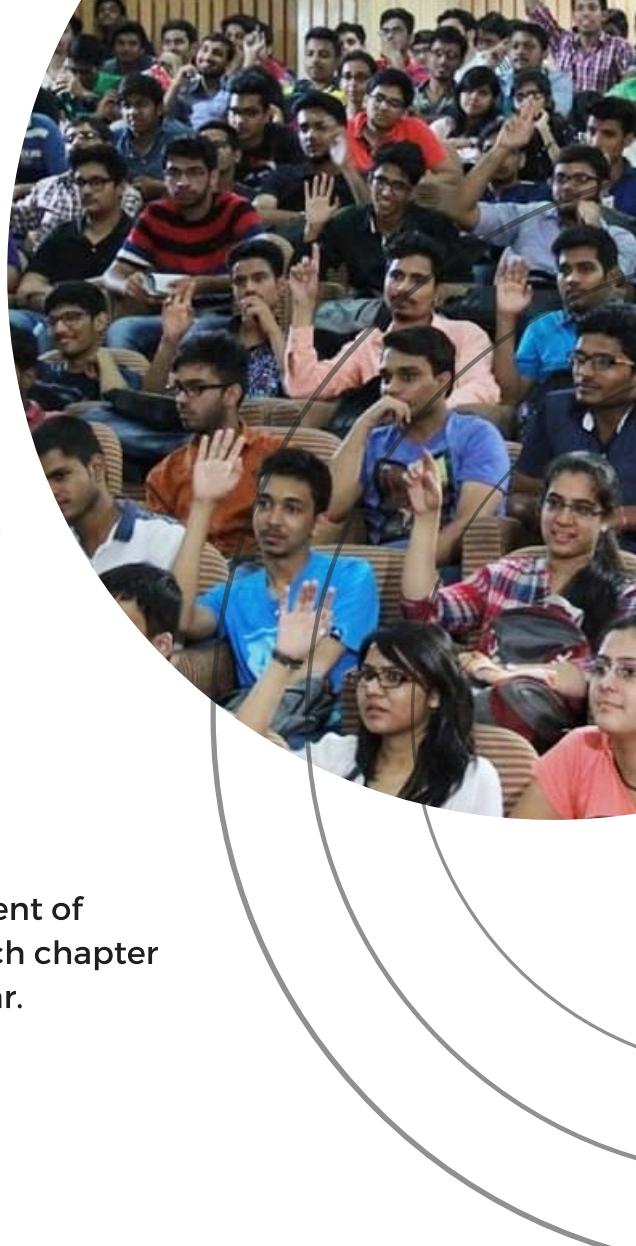

02

IEEE-IAS is a world leader in the advancement of technology and dissemination of technical information to support professionals engaged in the applications of electrical and electronic engineering to industry.

### COMPUTER SOCIETY (CS)

03

IEEE CS is the trusted information, networking, and career-development source for a global community of technology leaders that includes researchers, educators, software engineers, IT professionals, employers, and students. At BVPIEEE CS, members are taught popular technologies like Android, ML and AI, along with basics of programming for beginners.

# BRIEF OVERVIEW

04

## ROBOTICS AND AUTOMATION SOCIETY (RAS)

IEEE RAS's mission is to foster the development and facilitate the exchange of scientific and technological knowledge in Robotics and Automation that benefits members, the profession and humanity. Members of BVPIEEE-RAS are encouraged to innovate and share their technical know-how with the community. They are given hands-on learning on platforms such as Arduino and Raspberry Pi.

05

## ETA KAPPA NU (HKN)

IEEE-HKN is the honor society of IEEE and is dedicated to encouraging and recognizing individual excellence in education and meritorious work, in professional practice, and in any of the areas within the IEEE- designated fields of interest.

# SIGS

The Student Interest Groups(SIGs) engage their members in various activities in the technical and non-technical domain.

01

**CODEX** - It's a go-to place for programmers to interact with each other to find solutions to real-world problems. Various online and offline coding competitions are organised for members.

02

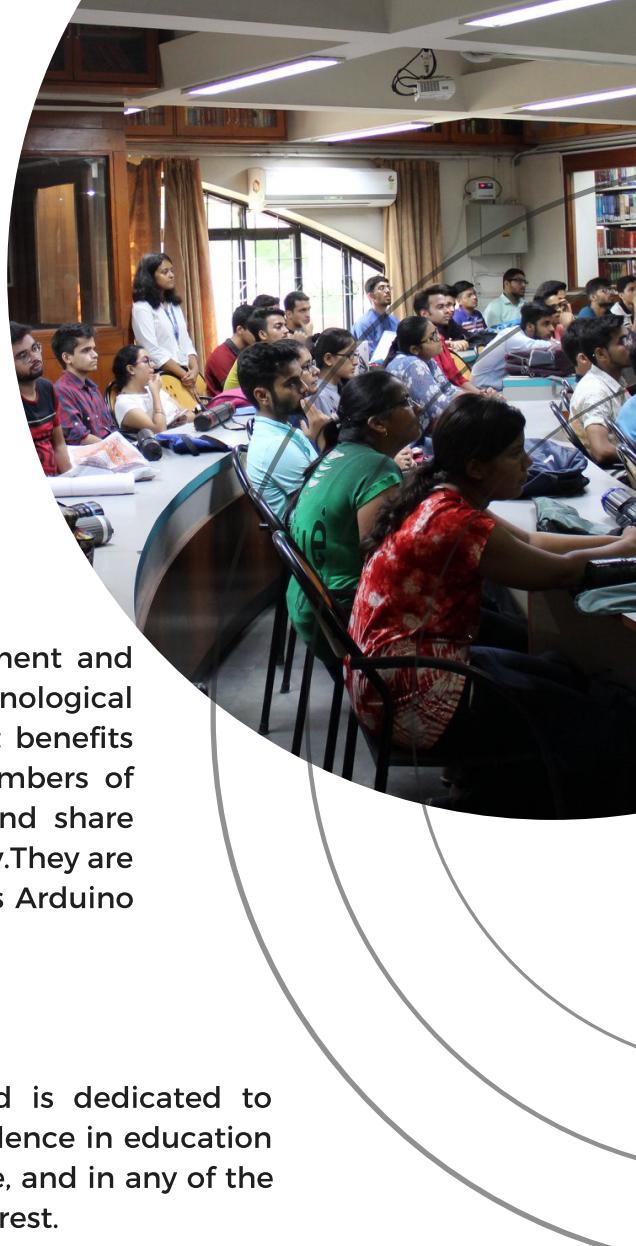

**E-Cell** - The Entrepreneur Cell creates a professional environment for students where they can interact with industrialists. We also organised CDs and interactive sessions so that students can brush-up their soft skills.

03

**BVCOE Quiz Club(BQC)** - BQC aims to continue the long standing tradition of quizzing at BVCOE. Quizzes are conducted on online platforms and offline, creating a community of enthusiastic students who believe in sharing their knowledge.

04

**GAMMA**- The Gaming and Multi-media Animation interest group of BVPIEEE. its members in fun gaming sessions that turn out to be a great place for socialization and networking.

# **WIEQUEST**

## **COMPETITIVE CODING COMPETITION**

### **ABOUT**

Women in Engineering (WIE) in collaboration with CS chapter is organizing a competitive coding competition, to celebrate the spirit of International Women In Engineering Day.

### **OUR VISION**

To promote competitive coding amongst the students.

To bridge the gender equality gap in the technical domain.

To encourage young minds to share their coding knowledge and understand current scenario of coding

To create a place for women to network and learn about the latest technologies.

## WHY SPONSOR US?

We at BVPIEEE believe that through collaboration with people from varied domains, we can make any event a success.

BVPIEEE provides a platform for its sponsors to interact with the youth and increase their outreach. With years of experience organising events in our college, we understand our sponsors' needs and aim to bring them closer to their target audience.

## WHAT WE OFFER TO OUR SPONSORS:

A customized plan for every sponsor to maximise their outreach. An opportunity to advertise their brand on all our online platforms- BVPIEEE app and website, Facebook event pages, in addition to providing premium spaces to put up flex and canopies in the college.

Access to the mailing list and distribution channels of the event, in addition to the updated student database collected by BVPIEEE over the years.

## PAST FLAGSHIP EVENTS

### WIE HACK 2.0

WIE HACK 2.0 was an all-women hackathon organized by WIE in collaboration with IAS and CS chapters on 8th April, 2020 to 9th April, 2020. It was a 36-hour virtual hackathon with the aim of promoting programming among women. The event enjoyed massive participation. Exciting prizes like Azure License, MoochWale Coupons, Houseltt Coupons and much more were awarded to the winners.

The event was streamed live on YouTube.

## PAST FLAGSHIP EVENTS

### WIE HACK 1.0

Women in Engineering(WIE) in collaboration with CodeX organised an all women hackathon, the first of its kind in BVCOE, with the aim of promoting the practice of programming among women.

The event was successfully organised on 4th and 5th of October, 2018. The development hackathon was organised under the PayTm Build for India initiative. The participants were judged by Ms.Dolly Bhasin (Director, Incuspaze), Mr.Saurabh Jain (VP, Paytm), Ms.Vertika Shukla (Sheroes), Ms.Garima Chhikara (Mentor, Coding Blocks), Mr.Jatin (Coding Blocks). With over 100 participants building solutions for India, the one of its kind hackathon was a great success.

## PAST FLAGSHIP EVENTS

### FERVOUR

Fervour is the annual techno-managerial fest organised by BVPIEEE. Fervour The 10th edition of the fest was organised in March 2018 with a lot of enthusiasm. It saw a footfall of over 500 students. The flagship events, Hacktivate- a 24 hour development hackathon and Technovation- a technical projects exhibition, were a great success. Delhi's first FPV Drone Show was hosted as a part of our fest. It served as the highlight for the participants.

## PAST FLAGSHIP EVENTS

### INNOVICON

BVPIEEE the IEEE Student branch of Bharati Vidyapeeth's College Of Engineering, organized a conference on Artificial Intelligence and Data Science on 2nd and 3rd of February 2019. The aim of the Conference was to bring together top researchers and industry experts in the field of Artificial Intelligence and Data Science and make their understanding of the recent trends accessible to undergraduates and professionals who are commencing their exploration in these fields. The venue for the conference was the college campus itself (New Delhi, India). With 2 tracks and 10 workshops running in parallel the event was a huge success. Speakers from renowned institutes like IITs and companies like Bobble AI delivered thought-provoking and informative talks.
